Forum Energy Efficiency in Urban Areas by CCIFER & French Embassy

4th June 2015

Biomass, Biogas & Cogeneration 2015

11th June 2015

Romanian Energy Efficiency Summit

12th June 2015

A sustainable effort!

In 2015 APEE has developed a series of activities and made continuous efforts for building a strong partnership with the authorities and the energy stake holders.

We assure of our proactivity and disposition for continuously improving this partnership.

Thank You!
