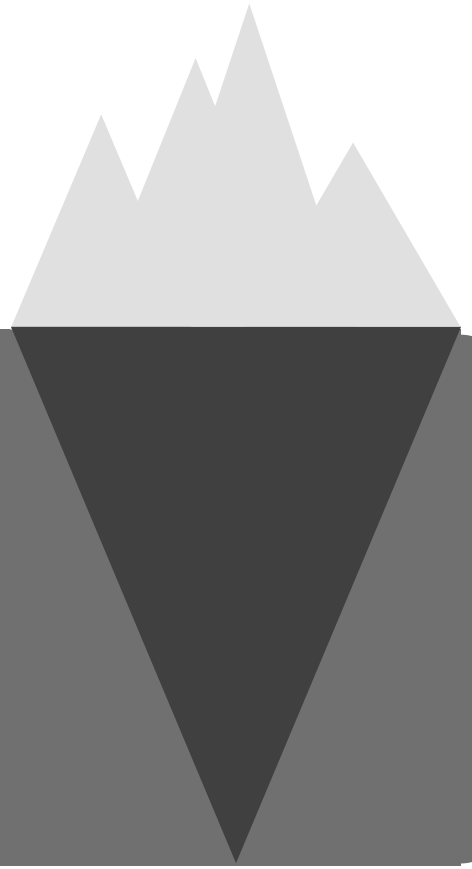
2022 IS ABOUT SPEED

THE CHALLENGE
REDUCE TCO TO GAIN TRACTION >>> SPEED

19%
of TCO is the upfront costs to acquire and deploy new ruggedized mobile assets over 5 years



81%[1]
of the TCO of ruggedized mobile devices happens AFTER deployment and is made up of support costs and lost productivity due to asset related issues.

HIDDEN COSTS

[1] Five Year Handheld Computer/Smartphone TCO Model
